COPYRIGHT 1998, BELLON-MILANES ARCHITECTS, PLANNERS, INC. All ideas, designs, arrangements and plans indicated or represented by this drawing are owned by, and are the property of BELLON-MILANES ARCHITECTS, PLANNERS, INC., and were created, evolved and developed for use on, and in connection with this specified project. These ideas, designs, arrangements and plans are not to be used, disclosed, reproduced, altered, copied or transferred in any form or manner whatsoever, without the specific written permission of BELLON-MILANES ARCHITECTS, PLANNERS, INC. Written dimensions on these drawings shall have precedence over scaled dimensions. Contractor shall verify and be responsible for all dimensions and conditions on the job. BELLON-MILANES ARCHITECTS, PLANNERS, INC. must be notified immediately in writing of any variation from the dimensions and conditions shown by these drawings. Field verify all conditions prior to ordering materials and installing work, and cooperate with architect to modify such conditions at no additional cost. Shop details must be submitted to the architect's office and reviewed by architect prior to ordering materials, fabrication and delivery to the job site, unless otherwise provided for under the specific contractual agreement between the architect and the client.

COPYRIGHT 1999, BELLON-MILANES ARCHITECTS, PLANNERS, INC. All ideas, designs, arrangements and plans indicated or represented by this drawing are owned by, and are the property of BELLON-MILANES ARCHITECTS, PLANNERS, INC., and were created, evolved and developed for use on, and in connection with the specified project. These ideas, designs, arrangements and plans are not to be used, disclosed, reproduced, altered, copied or transferred in any form or manner whatsoever without the specific written permission of BELLON-MILANES ARCHITECTS, PLANNERS, INC. and any unauthorized use, without such permission, will be prosecuted to its fullest extent. Prior to the architect's attention any deviation from designed conditions and field conditions prior to ordering materials and installing work, BELLON-MILANES ARCHITECTS, PLANNERS, INC. must be notified immediately in writing of any variation from the dimensions and conditions shown by these drawings. These drawings are to be verified on the job site by the general contractor and all trades who shall be responsible for the same. Any discrepancy found between these drawings and existing conditions are to be reported to the architect's office and reviewed by architect prior to ordering materials, fabrication and installing work, and cooperate with architect to modify such conditions as to additional cost. Shop details must be submitted to the architect's office and reviewed by architect, prior to fabrication and delivery to the job site, unless otherwise provided for under the specific contractual agreement between the architect and the client.
