Dear Mrs. Jacoby,

Due to the new changes in zoning I would like to request the Alternative Development Option.

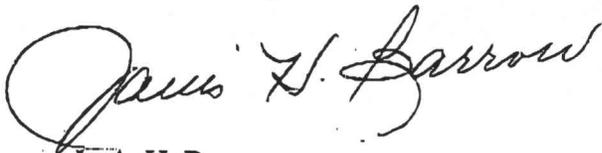

We will relocate the farm buildings from the right of way.

If possible, as an alternative to the relocation of the farm buildings we would be more than agreeable to add a deed restriction stating that in the event the right of way is needed the buildings will be relocated.

These farm buildings have been there since the early seventies. When we purchased the property in 1978 we signed an affidavit that in the event a road was ever put in that we would relocate the farm buildings. We did not feel this would be a problem because the right of way is only half the depth of our property.

I sincerely hope that you will consider either option and approve our request.

Yours very truly,

Janis H. Barrow
