B. Support Letter from Lime Fresh Mexican Grill

Lime Fresh Mexican Grill at Downtown Dadeland  
9005 S.W. 72 Place  
Miami, Florida 33156

November 17, 2010

To Whom It May Concern:

This letter is being written in anticipation of the upcoming zoning hearing set for November 18, 2010 in which the landlord of Downtown Dadeland is requesting approval from the City to add additional signage along the exterior of the property referring to the interior retail tenants. As an interior retail tenant, Lime Fresh Mexican Grill at Downtown Dadeland ("Lime") is a huge proponent of this request for numerous reasons.

First, additional signage on the exterior walls of the property will greatly increase visibility for interior tenants, such as Lime. We currently rent advertising space on a bus bench along Kendall Drive so that individuals walking or driving along Kendall Drive become aware that we are located inside the center. We are unsure how successful this attempt has been, but to date, this has been our only opportunity to post notice outside the center that directs individuals to the interior.

Second, signage noting our existence on the exterior of the property will help alleviate the general confusion some patrons have expressed about where, in reference to Kendall Drive, Lime is located. We typically have to direct patrons to Chilli's and/or West Elm as a landmark to direct them to our location. Having a sign on the exterior will allow new patrons to find us more easily and will allow us to create our own landmark presence within Downtown Dadeland.

Third, Lime is a huge supporter of exterior signs due to the fact that we are hidden from view from Kendall Drive due to our location, and we fear that our location is underperforming due to the lack of street traffic that other Lime locations benefit from. Simply posting signs that inform the general public that Lime is located within the center will not only increase our business, but will also invigorate the center. Lime is a vibrant, fun, and healthy restaurant with a great ambiance and great music that our patrons enjoy. Increasing our exposure will only benefit the other tenants of Downtown Dadeland as well by turning the center into a place that people like to come, shop and eat.

Finally, posting signs of all interior tenants will better Downtown Dadeland as a whole. Many individuals have a misconception that Downtown Dadeland is vacant. Simply posting signs on the exterior will allow the public to know that the center has much to offer. Please consider the importance of allowing these signs to be posted.

On behalf of Lime Fresh Mexican Grill at Downtown Dadeland, we greatly appreciate your consideration of these issues.

Very truly yours,  
Meredith & Grant Gussin  
Owners
