Z12-128

Just to advise that we oppose the Charter School bring developed adjacent to my home.

My address is 15325 SW 8th Way, Miami, Fl 33184

My backyard would face the school and lot which would be a safety issue. All I need is a car accident to have a car driven into my living room.

Also, Lennar advised us that this land would never be developed since it was protected. Reason I chose this property to purchase.

It's bad enough with traffic leaving our community, the addition if this school would cause major traffic tie ups and worse accidents then the ones that occur currently.

Please do not allow this to pass and for Ferro to develop this land, thank you.

Sincerely,

Barbara Padro
