As a neighbor, residing at 8765 SW 109 St, 33176, I am requesting a detailed traffic study of the following area:
- 87th Avenue (Galloway Road) from Kendall Drive to 128th Street;
- Killian Drive from Us I (Busway) to 97th Avenue;

Please include the east - west Streets, since traffic diverts to these streets in order to avoid bumper to bumper congestion existing on major arteries, eg Galloway Road and Killian Drive.
As a part of this study, please include specific data (both State police as well as Dade County police records) regarding traffic accidents occurring (with some regularity) in this location for the period from April, 2014 to the present date.
This information is necessary to support the neighbors position that Zoning requests by the Children's Resource Center and the Chabad of Kendall wild adversely affect traffic in this location.
Also please be reminded that pedestrian traffic is impacted negatively by vehicular diversion to cross streets where sidewalks are NOT available to residents.
Your response to this request would be appreciated.

Respectfully,
Lorraine J. Vitale

RE: Request for Traffic Study

Mrs. Vitale,

The application is currently under review by staff. As part of the application, the applicant submitted a traffic study which is currently being reviewed by the Public Works Waste Management Department. The study may or may not include the roads you are citing. By way of this email, I am copying Public Works should you have any technical questions with regards to the traffic study.

To Whom It May Concern:

We would like to request a detailed traffic study of the following area (prior to changes in zoning requests of Children's Resource Center and the Chabad of Kendall):

- 87th Avenue from Kendall Drive to 128th Street
- Killian Drive from US 1 to 97th Avenue

Please include the east/west streets as well as a part of this study.

As a part of this study, please include specific data (state and county) regarding traffic accidents occurring in this location from April 2014 on.

I received the preliminary notice of the request of the Children's Resource Find, Inc. to increase grade levels to include elementary grades. The previous request for nursery and pre-school had Indicated that there would be no additional requests such an increase. The traffic patterns at this location, Killian and 87th Avenue are already stressed. Traffic and pedestrian safety are at risk now.
I am opposed to any project that will add to vehicular, pedestrian and student risk.
Please do not approve this request. Please be sure to notify me of the date and specifics of this hearing.

Respectfully.

RE: Hearing Number 14-096

C-12 P-1

As a home owner, living in the area, I oppose the request of a special exemption to permit a private school, and modification of previous resolutions and covenants to permit the applicant to revise a site plan showing a new covered canopy play area, to increase the grades from kindergarten through 6th grade and to increase the hours of operation for a previously approved nursery and kindergarten.
I believe that this Zoning request by the Children's Resource Center will adversely affect traffic in this location that is already dangerously overloaded by businesses that have been added over the years (eg, the Chabad of Kendall, Rivera Academy, and others.)
Residents experience dangerous conditions when attempting to travel across 87th Avenue by car. Also pedestrian traffic is impacted negatively by vehicular diversion to cross streets where sidewalks are NOT available to protect the safety of residents
Your response to this request would be appreciated.

Dear Sir or Madam:

We oppose the modification of conditions of previously approved resolutions, and a modification of a paragraph of a covenant to allow the applicant to submit revised plans showing new classroom buildings, and an increase in the number of teachers and teachers assistants. Also oppose the request to permit two classroom building additions due to the amount of traffic on the intersection of Killian Drive and Galloway. Also adding to the congestion, are the one other school plus a Jewish temple at these intersection.

Thank you,

RE: OBJECTION TO SCHOOL EXPANSION(DOUBLE IN SIZE):
CRF, Inc. Hearing # 03-354; 8571 SW 112 Street

The area around this applicant is mostly EU-1 & EU-M. Over the years Metro, over the neighbors objections, has authorized numerous "out-of-area" schools and churches. Ninety five per cent (95%) of those who use these institutions do not LIVE, WORK, PAY TAXES, OR OWN PROPERTY in our area (one mile radius). This fact applies to this applicant.

ENOUGH IS ENOUGH: Stop this senseless rubber stamping of transient traffic in our neighborhood. We are full up. Within a one mile radius of this school is 10 churches, 4 school/churches, and 5 schools. This situation is like nowhere else in Dade County.

RE: OBJECTION TO SCHOOL EXPANSION(DOUBLE IN SIZE):
CRF, Inc. Hearing # 03-354; 8571 SW 112 Street

The area around this applicant is mostly EU-1 & EU-M. Over the years Metro, over the neighbors objections, has authorized numerous "out-of-area" schools and churches. Ninety five per cent (95%) of those who use these institutions do not LIVE, WORK, PAY TAXES, OR OWN PROPERTY in our area (one mile radius). This fact applies to this applicant.

ENOUGH IS ENOUGH: Stop this senseless rubber stamping of transient traffic in our neighborhood. We are full up. Within a one mile radius of this school is 10 churches, 4 school/churches, and 5 schools. This situation is like nowhere else in Dade County.

RE: OBJECTION TO SCHOOL EXPANSION(DOUBLE IN SIZE):
CRF, Inc. Hearing # 03-354; 8571 SW 112 Street

The area around this applicant is mostly EU-1 & EU-M. Over the years Metro, over the neighbors objections, has authorized numerous "out-of-area" schools and churches. Ninety five per cent (95%) of those who use these institutions do not LIVE, WORK, PAY TAXES, OR OWN PROPERTY in our area (one mile radius). This fact applies to this applicant.

ENOUGH IS ENOUGH: Stop this senseless rubber stamping of transient traffic in our neighborhood. We are full up. Within a one mile radius of this school is 10 churches, 4 school/churches, and 5 schools. This situation is like nowhere else in Dade County.

RE: OBJECTION TO SCHOOL EXPANSION(DOUBLE IN SIZE):
CRF, Inc. Hearing # 03-354; 8571 SW 112 Street

The area around this applicant is mostly EU-1 & EU-M. Over the years Metro, over the neighbors objections, has authorized numerous "out-of-area" schools and churches. Ninety five per cent (95%) of those who use these institutions do not LIVE, WORK, PAY TAXES, OR OWN PROPERTY in our area (one mile radius). This fact applies to this applicant.

ENOUGH IS ENOUGH: Stop this senseless rubber stamping of transient traffic in our neighborhood. We are full up. Within a one mile radius of this school is 10 churches, 4 school/churches, and 5 schools. This situation is like nowhere else in Dade County.

RE: OBJECTION TO SCHOOL EXPANSION(DOUBLE IN SIZE):
CRF, Inc. Hearing # 03-354; 8571 SW 112 Street

The area around this applicant is mostly EU-1 & EU-M. Over the years Metro, over the neighbors objections, has authorized numerous "out-of-area" schools and churches. Ninety five per cent (95%) of those who use these institutions do not LIVE, WORK, PAY TAXES, OR OWN PROPERTY in our area (one mile radius). This fact applies to this applicant.

ENOUGH IS ENOUGH: Stop this senseless rubber stamping of transient traffic in our neighborhood. We are full up. Within a one mile radius of this school is 10 churches, 4 school/churches, and 5 schools. This situation is like nowhere else in Dade County.
