**Date:** April 6, 2015

**To:** Eric Silva, AICP, Assistant Director  
Development Services Division  
Department of Regulatory and Economic Resources

**From:**   
J.D. Patterson, Director  
Miami-Dade Police Department

**Subject:** Review – Developmental Impact Committee - Zoning Application  
Case: No. Z2015000017 – Advanced Learning Charter School, Inc.

---

## **APPLICATION**

The applicant, Advanced Learning Charter School, Inc., is requesting a public hearing to obtain a special exception to permit a new 3-story, 626 student, K-8 building to an existing 1-story, 452 student, K-5 charter school, located on approximately 3.16 acres at 5855 NW 171 Street, Miami, Florida.

## **CURRENT POLICE SERVICES**

The development would be located in unincorporated Miami-Dade County and serviced by our Northwest District, located at 5975 Miami Lakes Drive East, Miami, Florida. Our current staffing allows for an average emergency response time of eight minutes or less.

## **REVIEW**

A review of the application and related documents was conducted to predict the impact on the Miami-Dade Police Department's (MDPD) resources, and the impact that the location could have on the proposed zoning modification changes. A police check of crimes/calls for service of the area was completed and has been provided in the attached documents for your Department.

Current data of police staffing, population, and crimes/calls for service was examined to project any increase in calls for service. Current staffing should accommodate any slight increase in the volume of calls for service. Due to the projected increase of students and staff occupying the property, requests for police services may also increase. Should demand for police services increase beyond current levels, additional sworn personnel, support staff, and equipment may be required. Additionally, it is recommended that Advanced Learning Charter School, Inc., work closely with Northwest District command staff in considering security options for the site.

**While the MDPD does not object to any proposed zoning modifications to complete this project, the below recommendation should be considered for implementation if the application is approved.**

- Install and maintain surveillance cameras with digital archiving capabilities in areas deemed appropriate, to include but not limited to, entrance and exit points from buildings and the property.

The applicant is encouraged to work with the MDPD during any future application changes to determine the best possible solutions or security options.
