CONTRACT AMENDMENTS

Section 1002.33(7)(c), F. S. provides that a charter contract may be modified during its initial term or any renewal term. Listed below are two contract amendments. Pursuant to School Board Policy 9800, *Charter Schools*, the M-DCPS' Charter School Contract Review Committee (CRC) was only required to negotiate one of the two amended contracts presented on this agenda. The recommendations to the Superintendent were as follows:

Table 1: Contract Amendments					
	Type of Amendment	Name of School	Legal Entity	Committee Recommendation	Supporting Documentation
1.	Federal Funds Disbursement	Early Beginnings – Civic Center	United Cerebral Palsy of South Florida Charter Schools, Inc.	N/A	Attachment A
2.	Grade/Enrollment Configuration/ Location/Term/High Performing*	Highly Inquisitive & Versatile Education (HIVE) Preparatory School	Advanced Learning Charter School, Inc.	Approval	

**Pursuant to s.1002.33, "high performing" is a designation made by the Commission of Education for certain charter schools that allow them to increase enrollment, expand grade levels, submit quarterly rather than monthly financial reports, consolidate charters, and/or modify charter term to 15 years.*

Any significant increase in charter school student enrollment (Charter FTE) directly impacts the District's operating budget as well as instructional and non-instructional staffing levels. Only one of the amendments to the charter school contracts in this Board item represents an increase in overall charter school enrollment. To ensure that the District's financial position remains positive, Board authorization is requested to allow a Reduction-in-Force/Layoff only if it becomes necessary. Any such Reduction-in-Force/Layoff affecting instructional and non-instructional staff would be implemented in accordance with School Board policies and applicable collective bargaining agreements. The number of position reductions will not exceed the stated Initial Loss included in this item and will be re-evaluated and adjusted in subsequent years to reflect changes in FTE. The impact caused by the contract is provided in Attachment A.
