

# Memorandum

**Date:** May 18, 2015

**To:** Nathan Kogon, Assistant Director  
Regulatory and Economic Resources Department

**From:**   
Paul Mauriello, Deputy Director, Waste Operations  
Public Works and Waste Management Department

**Subject:** Deisy Pozo and Rene Casanova (#15\_034)

---

The PWWM has no objections to the proposed application. The Department's review of the above-referenced item is provided below.

The application requests a non-use variance of setback requirements for a property which contains a single family home. The application will have no PWWM impact or any associated costs.

If you should have any questions, please do not hesitate to contact Stacey McDuffie, Manager, Intergovernmental and External Affairs, at 305-375-1354.
