

Memorandum

Date: August 7, 2015

To: Nathan Kogon, Assistant Director
Regulatory and Economic Resources Department

From: 
Paul Maurfello, Deputy Director, Waste Operations
Public Works and Waste Management Department

Subject: Nicole Guinea (#15_075)

The PWWM has no objections to the proposed application. The Department's review of the above-referenced item is provided below.

The application requests a non-use variance to permit a porch on a property which contains a single family home. The application will have no PWWM impact or any associated costs.

If you should have any questions, please do not hesitate to contact Stacey McDuffie, Manager, Intergovernmental and External Affairs, at 305-375-1354.
