

Memorandum

Date: September 15, 2015

To: Nathan Kogon, Assistant Director
Regulatory and Economic Resources Department

From: 
Paul Mauriello, Deputy Director, Waste Operations
Public Works and Waste Management Department

Subject: Ismael & Alice Roque-Velasco (#15_089)

The PWWM has no objections to the proposed application. The Department's review of the above-referenced item is provided below.

The applicant requests a non-use variance to permit a soccer field set-back less than required on a property that contains a single family home. The application will have no PWWM impact or any associated costs.

If you should have any questions, please do not hesitate to contact Stacey McDuffie, Manager, Intergovernmental and External Affairs, at 305-375-1354.
