The Department of Regulatory and Economic Resources Platting and Traffic Review Section has reviewed the subject application and has no objections.

This land requires platting in accordance with Chapter 28 of the Miami-Dade County Code. Any right-of-way dedications and/or improvements required will be accomplished thru the recording of a plat.

This application does not generate any new additional daily peak hour trips, therefore no vehicle trips have been assigned. This application meets the traffic concurrency criteria set for an Initial Development Order
